NFVB ATHLETES MAKE A DIFFERENCE!

BNCC would like to thank all the NFVB athletes that participated in the Holiday Invitational Clinic. Each athlete brought a toy donation that was sent to Jericho Road Ministries and the Priscilla Project.

Jericho Road facilitates wellness and self-sufficiency in the lives of refugee and low-income community members in Buffalo by addressing health, education, and economic barriers.

As part of Jericho Road, the Priscilla Project works with pregnant refugee women on social support, education and healthcare access.

Thank you NFVB athletes....you helped make the holiday's better for these families!
